1. Technical specifications

We deliver the **CNC lathe STYLE 750**, according to the following specifications.

Machine		STYLE 750
Swing over bed	mm	750
Swing over support	mm	530
Distance between centers	mm	900
Bed width	mm	450
Maximum weight between centres	kg	1500
Maximum weight in combination with steady rest	kg	2000

Main spindle		
Main motor power	kW	23
Maximum main spindle torque	Nm	4090
Maximum spindle speed (number of gears)	rpm	2000 (3)
Spindle bore	mm	Ø105
Spindle taper		A2-11

X and Z-axis		
Ball screw spindle Ø X-axis	mm	32
Ball screw spindle Ø Z-axis	mm	50
Rapid movement	m/min	8
Feed rate	mm/min	0.01-1000

Tail stock		
Quill Ø	mm	105
Quill stroke	mm	225
Quill taper	MT	5

General		
Weight	kg	4700
Machine colour	Frame	RAL 7021
	Sheet metal	RAL 9006
Machine dimensions	m	3.1/2.3/2.2

2. Machine accessories/options

The machine will be delivered with:
- Machine lightning (TL + halogen)
- Coolant installation
- Automatic lubrication
- Steel housing of the ball screw spindles
- Full enclosure

- **Stronger coolant pump**
- **Fluid spray gun in combination with a stronger pump**
- **Coolant pump switch**
- **Rpm potentiometer**
- **Manual control box**

3. STYLE software terms & conditions

Content of STYLE software

The STYLE software on your machine contains:
- STYLE Software Lathe
- STYLE Software CNC Edit
- STYLE Computer Management
- STYLE Service

In the future the STYLE software can be improved in two ways:
- Software Update: improvements/adjustments in the current version
- Software Upgrade: elevation of the version

STYLE Software Version

The machine is supplied with STYLE software <u>2018 Edition</u>.
By purchasing this machine you are entitled to receive one software upgrade.

Profit if you are already using STYLE

You can upgrade your STYLE machine park very beneficial when you are already in the possession of one or multiple STYLE machines.

Upgrade 1: when your current machine is up to date and doesn't need any hardware adjustments to perform the upgrade, you pay just €300,- per elevation of the software version instead of €750,-

Upgrade 2: when your current machine is not up to date and needs some hardware adjustments to perform the upgrade, our service department will create an invoice per machine.

Version possibilities

- STYLE 2008 Edition - v3.40
- STYLE 2012 Edition - v4.00
- STYLE 2015 Edition - v4.10
- STYLE 2016 Edition - v4.20

Delivering upgrades

The delivery of the software happens by e-mail. By means of an extensive video we show you how to install your software. After installing you need to call the service department for a registration code.

Training

If you want to get training on your current STYLE machines we will use the usual rates.

Implementation

The implementation of the upgrades will happen apart from the (possible) purchase of the machine by our service department.

Software desktop version

When you are already in the possession of a desktop version, you are entitled to the version of which your new machine is supplied with.
